The Georgia Institute of Technology

Period Covered: 3/27/78 - 9/30/78

From: William H. Hitch, Project Director

This project was active during only a portion of the current year. The students who were given financial support are Paul Alan Carlson and Mark A. Hutchinson. Mr. Carlson works with the Department of Energy at Aiken, South Carolina, in the fall and spring quarters of each year, and Mr. Hutchinson works there during the summer and winter quarters.

Mr. Michael C. Sellers, Personnel Officer at Aiken, is to be commended for the efficient manner in which he has handled communications between his organization and the Cooperative Division at Georgia Tech. He continues to take an active interest in the students, and his help and interest are very much appreciated.

A recommendation has been made that this program be extended for one year.
